Merit Badge sign up

Sign up for campers can begin as soon as we are paid in full.

Campers who are not yet at the rank of First Class will be signed up by the Scoutmaster into the 'Soaring to Eagle' first year camper program. This will help Scouts quickly achieve needed rank requirements. They will then have two other blocks to work on merit badges of their choice. If a Scout feels he is close to First Class and doesn't want to repeat many of those requirements he needs to submit a plan to the Scoutmaster on how and when he will fulfill outstanding requirements.

Scouts who have already advanced to First Class will have 4 merit badge blocks to choose from but will be required to sign up for **TWO Eagle required merit badges**. All scouts should start looking at the schedule now to decide what they want to sign up for.

****Note that Camp Hale has a pool AND a lake **** This means swimming and lifesaving merit badges can be done in a safely controlled environment, while a lake is available for boating and fishing.
